Cestui Que Trust
In the amount of Millions ?????? Dollars

IRS is operating according to Bankruptcy Laws

The IRS is your collection agency to recover your 1099OID and 1099A Funds

Federal Reserve/ Treasury
Fed Window

SEC
Securities Exchange Commission
Wall Street

Promissory Notes can not have a maturity date that is over 12 months

All Mortgages are listed as **DEBT FREE** Security Instruments when Bundled at the SEC to be sold on Wall Street in a Pool

Holder Trust
All P Notes are Held Here
(At this Point the Federal Reserve Does Fractional Reserve Banking)

Banking Trust
(According to the law a bank can not loan money only credits)

Securities Trust
(This is where the Cusips are assigned to the REMICS and CDO/Collateral Debt)

Indenture Trust
(This is were the Insurance Rider is Placed on all notes etc. Instruments)

MORTGAGE ESCROW TRUST (Distribute actions)
The Mortgage Company holds your funds here in their Escrow Account, praying that you default so they can steal the funds with their own 1099A after they foreclose on you. Then they get the funds and your home. (1099OID/1099A - Recoverable Funds by YOU)

REMIC is investment-grade mortgage bond that separates mortgage pools into different maturity and risk classes.

REMIC is listed as an investment on the back of 1099OID

To keep the IRS books balanced all money has to return to the Originator of the Funds WHICH IS YOU
